We are the men of the fourteenth, the legion of the twin,  
Be off with you, get out of our way, you've heard the trumpet sound, the infantry  
advance.  
The Roman military march this way.

SIVE SEQUIMUR AQUILAS, SIVE PROGREDIMUR AD CORNICES

Whether we follow the eagles, or we go to the ravens alone  
Our pride is in the legion  
And the fighting infantry are our family and home,  
And the fighting infantry are our family and home.

We follow the standards, wherever they lead us,  
from the barbaric forests of Germany, to the mist shrouded hills of Caledonia.  
The Tamers of the Britons march.

## BACCHE

BACCHE, VITIUM REPERTOR, PLENUS ADSIS VITIBUS:  
EFFLUAS DULCEM LIQUOREM COMPARANDUM NECTARI,  
CONDITUMQUE FAC VETUSTUM, NE MALIGNIS VENULIS

CONDEETUMKWEE FACK WETOOSTOOM, NAY MALIGNISS WENOOOLIS  
ASPEROOM DOOKAT SAPOREM WERSUS USUM IN ALTERUUM.

Bacchus discoverer of vines, come to our vines in full force:  
pour forth the sweet juice comparable to nectar  
and when it is stored make it grow old without taking on  
the malignancy of its nature a harsh flavour, turning it  
to some other use (i.e. vinegar).

(This song is sung twice - the first time to a normal beat,  
the second at double the speed.)

## SEMPER HIC

SEMPER HIC VENTI DESERTA GELIDIS PERFLANT IMBRIBUS.

 HEW! POOAYLAM KONKOOPISCO: DESIDAYROH STIPENDEEUM.

Here the winds blow over the waste land with chill showers.  
 Already my tunic is filthy with lice; my nose is running.  
 Daily the savage tempest soaks me with hail storms.  
 Why? Because it is my job to protect the frontiers of Britain.  
 Everywhere the mist shrouds the grey rocks in darkness,  
 My dear girl is in Tungria: always I sleep alone.  
 The pledge of love she gave me has been lost at the dice board.  
 Alas! I dearly want my girl and I want my pay.

## MARCHING CHANTS

Two chants follow that can be used on the march to keep the step and to give a good impression to the crowd.

CRAS AMET QUI NUMQUAM AMAVIT, QUIQUE AMAVIT CRAS AMET.

KRASS AMET KWEE NUMKWAM AMAHWIT, KWEEKWAY AMAHWIT KRASS AMET.

He who has never loved will love tomorrow, and he who has loved will also love tomorrow.

This can be repeated over and over ad nauseum.

The second can be used in the same way.

MILLE GERMANOS, MILLE PERSOS SEMEL ET SEMEL DECOLLAVIMUS.

MILLAY GERMAHNOS, MILLAY PERSOS SEMEL ET SEMEL DECKOLLAHWEEMOOS.

We've decapitated our thousands of Germans and thousands of Persians, over and over again.

## URBANI

URBANI, SERVATE UXORES, MOECHUM CALVUM ADDUCIMUS  
AURUM IN GALLIA EFFUTUISTI, HIC SUMPSISTI MUTUUM.

ERBAHNEE, SERWAHTAY UXORAYS, MOYKUM KALWUM ADDOOKIMOOS  
OWROOM IN GALLEAH EFFOOTOOISTEE, HICK SUMPSISTEE MOOTOOUM.

Citizens, keep an eye on your wives: we're bringing back our bald adulterer.  
He's fucked away the gold in Gaul that you loaned him here in Rome.

GALLIAS CAESAR SUBEGIT, NICOMEDES CAESAREM:  
ECCE CAESAR NUNC TRIUMPHAT QUI SUBEGIT GALLIAS.  
NICOMEDES NON TRIUMPHAT, QUI SUBEGIT CAESAREM.

GALLEAS KAISAR SUBAYGIT, NIKOMEEDDEES KAISAREM:  
ECKAY KAISAR NUNK TRIUMPHAT KWEE SUBAYGIT  
GALLEYAS.  
NIKOMEEDDEES NON TRIUMPHAT, KWEE SUBAYGIT  
KAISAREM.

Caesar vanquished the Gauls, Nicomedes Caesar:  
Caesar who vanquished the Gauls, now triumphs.  
Nicomedes does not triumph, who vanquished Caesar.

GALLOS CAESAR IN TRIUMPHUM DUCIT, IDEM IN CURIAM:  
GALLI BRACAS DEPOSUERUNT, LATUM CLAVUM SUMPSEERUNT.

GALLOS KAISAR IN TRIUMPHUM DOOKIT, EED IN KOOREEAM:  
GALLI BRACKAS DEPOOSAIROONT, LAHTOOM KLAHWOOM SUMPSEEROONT.

Caesar leads the Gauls in triumph, likewise into the senate house:  
The Gauls have laid aside their trousers and put on the broad purple stripe.
